

Financial Policy

We are committed to providing you with the best possible Chiropractic care. If you have medical insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance, and your understanding of our payment policy.

- Payment for services is due at the time services are rendered unless payment arrangements have been approved in advance by our staff. We accept cash, checks MasterCard, Visa, and American Express. We will be happy to file your insurance and accept assignment of benefits, with you, the patient being responsible for the balance of the bill. This is subject to verification of benefits with your insurance company.

Returned checks and balances older than 30 days may be subject to additional collection fees and interest charges of 1% per month. For accounts sent to a collection agency for collection, the collection fee will be assumed by the patient.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance. You must realize however that:

- Your insurance is a contract between you, your employer, and the insurance company. We are not a party to that contract.
- If you require a referral, it is your responsibility to keep track of when new referrals are needed. If you treat without a referral, with the exception of the first visit, you are subject to paying the fees associated with that visit.
- Our fees are considered to fall within the acceptable range by most insurance carriers, and therefore are covered up to the maximum allowance determined by each carrier. Thus, our fees are considered usual, customary and reasonable.

We must emphasize that as health care providers our relationship is with you, not your insurance company or your primary care physician. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date services are rendered. All bills must be paid in full within 45 days of cessation of treatment.

If you have any questions about the above information, or any uncertainty regarding insurance coverage, please feel free to ask. We are here to help you.
